Post Graduate Diploma in Thermal Power Plant Engineering (2009-2010)

Recognised by "All India Council for Technical Education (AICTE)" & Covers mandatory requirements under Indian Electricity (Amendment) Rules, 1981.

WHY YOU SHOULD JOIN? The main aim of the course is to develop a pool of technically trained manpower readily available for recruitment to the Indian Power Sector. Besides, the course shall enhance the knowledge and skills of the engineers sponsored by the State Electricity Boards, Power Utilities etc.

ABOUT THE COURSE: This is a modular course of one year duration. Formal coaching is held at Regional Institutes of NPTI located at **1.Badarpur (New Delhi), 2.Durgapur, 3.Guwahati, 4.Nagpur, 5. Nangal (Punjab) and 6 Neyveli**. On job training is conducted at the nearby Thermal Power Stations and the training on state of the art simulator, at NPTI, Faridabad / Badarpur / Nagpur. The course profile covers the mandatory requirements under Indian Electricity Amendment Rules, 1981, which stipulates "**No person shall be authorised to operate or undertake maintenance of any part or whole of generating station of capacity 100 MW and above together with the associated sub-station unless he is adequately qualified and has undergone the specified training at a recognised Institute**".

ELIGIBILITY:-B.E. or equivalent in Mechanical/ Electrical/ Electronics/ Power/ Control & Instrumentation Engineering. Those appearing in their final year examination can also apply. However they must submit their provisional degree at the time of counselling.

SELECTION CRITERIA FOR ADMISSION : Merit based on a Common Entrance Test (CET) followed by counselling. CET will be held on **14.06.2009** at **8 centres (Faridabad, NewDelhi, Nagpur, Durgapur, Bangalore, Guwahati, Nangal(Punjab) and Neyveli)**.

AGE LIMIT :- For non-sponsored candidates the age limit as on 31.8.2009 is 30 years. No age limit for the sponsored candidate.

TOTAL SEATS: 307. Reservation for OBC / SC /ST/ Physically challenged as per Govt. of India Norms. 25% seats are reserved for candidates sponsored from Power utilities having more than one year experience as on the date of counselling and more than 60% marks in Engineering Degree. The seat allocation of the institutes is shown below.

Badar pur	Durga pur	Guwa hati	Nagpur	Nangal	Neyveli
60	60	37	60	30	60

PLACEMENT: To provide career opportunities in the Indian Power Sector, NPTI shall maintain close linkages with Power Utilities and reputed companies for employment of these trained engineers. Most of the students are placed in reputed Power sector companies before the completion of the course.

HOW TO APPLY:- Applications are to be filled online with the demand draft(The demand draft for the prescribed registration fees of Rs. 700/- in favour of NPTI, payable at New Delhi must be ready at the time of registration) and other details in our site www.npti.nic.in, www.nptibadarpur.co.in . Each applicant will be given a unique ID on successful registration at site. This ID must be preserved for future references. one registration hardcopy along with the testimonials(refer website) and Demand Draft should be sent to the Principal Director, National Power Training Institute (NR), Badarpur, New Delhi-110044 along with three passport size photographs (with name & ID written on backside) latest by **04.05.2009**. The registration shall be confirmed only after the receipt of the hard copy of registration details with Demand Draft.

COURSE FEE: For non-sponsored candidates: Rs. 1,25,000/- (in three installments). For candidates sponsored from SEBs/ PSUs/ Private Utilities Rs. 1,50,000/- lump-sum at the time of admission. There is no fee concession for any category of candidates.

COURSE FEE FOR FOREIGN NATIONALS:

- SAARC Countries : US\$ 7,000/-
- Other Countries : US\$ 8,000/-

The cost of Transportation to industries/power stations is to be borne by the participants.

LODGING/ BOARDING: Hostel Facilities is provided on first come first served basis, subject to availability on nominal charges. Separate hostel for girl candidates

IMPORTANT DATES:
